

Title: Intervention Specialist/ Special Education

Supervisor: Director

Overview:

Under general supervision, the intervention specialist will plan and implement goals and objectives, curriculum and management programs for students with disabilities. The intervention specialist will work as a part of a team on behalf of the student with regular classroom teachers, administrators, and parents to ensure that students with disabilities are educated in the least restrictive environment.

Responsibilities:

- Comply with the operating standards for Ohio's schools serving children with disabilities regarding placement, instruction, and evaluation of students with disabilities
- Establish and maintain an effective instructional program for students with disabilities that is aligned with the Ohio academic standards.
- Plan and implement strategies and activities to meet the needs of students with disabilities
- Assess students with appropriate diagnostic instruments, evaluate students's progress through the utilization of established procedures.
- Knowledge of FERPA, HIPPA, and IEP development
- Knowledge of crisis prevention intervention (CPI)
- Ability to work with teachers and students to demonstrate ways of supporting students in the regular classroom.
- Demonstrate the ability to maintain effective classroom management, provide for special document/ report all significant behavior concerns
- Participate in completing Evaluation Team Reports.

Qualifications:

- Bachelor's Degree
- Ohio Department of education licensure as an intervention specialist
- Prior experience working with disabilities preferred

Conduct:

Each staff member shall remain free of any alcohol or non-prescribed controlled substance and abuse of any prescribed controlled substance in the workplace throughout his/her employment in the District.

Each staff member shall serve as a role model for students in how to conduct themselves as citizens and as responsible, intelligent human beings. Each staff member has a legal responsibility to help instill in students the belief and practice of ethical principles and democratic values.
